Hi All,

I've got to walk a few blocks to get to another meeting at 10:00 AM. I could likely stay here until 9:45. If 9 to 9:45 would work, we could start then.

Thoughts?

I am going forward with the meeting tomorrow morning at 830AM Seattle time unless that I hear that Lon is available at 3PM Seattle time. Katherine I will have to check in with you after the meeting, or if you can join us later that would be great. We will be in 15U.

Okay, I moved it back to 830AM Seattle time, hopefully that works for most everyone. Unless Lon – if 9AM would work for you, I know that would be better for Katherine.

I had to reschedule the fish consumption meeting because Cindi wasn't available. Did you guys get the revised invite?

Did something happen to the briefing? Dan just mentioned trying to attend it.

Just checking in to see if the same time slot that was being held on everyone's calendar (for the Christine/Dianne briefing) will work for our discussion on an EJ assessment (options) for the Cook Inlet NPDES permit. The new time is at 3PM Seattle time, and I reserved 15 Umatilla.

Thanks! Tami
